

MATSO'S MIXED FRIDAY SUNDOWNER

Friday Sundowner is a fantastic format, and great competition event with a more social focus.

Held each Friday, played on holes 1,11-18 with novelty prizes and weekly opportunity to win the accrued Jackpot prize pool

Novelty prizes host two nearest the pin, and the overall winner receives a \$30.00 Voucher from Matso's Broome Brewery.

Jackpot Prize Draw

- Occurs each week, with all players names placed in the draw and one playing name selected by random from the draw.
- The player MUST be in attendance for opportunity to win the prize pool.
- The player then draws a number from a barrel (1,11-18) reflective of the 9 holes of played.
- The number selected then corresponds to the players strokes on that hole.
- The player then draws another number from an alternate barrel of 1-10 and if draws the same number as strokes taken on that hole wins the Jackpot prize pool.

NOTES:

- If the player who is selected is not in attendance at the Jackpot draw, the draw is concluded for that day.
- Players can only accrue a stroke count on each hole within their own stableford handicap rating i.e a player who scores 7 on a hole and only accrues 1 stableford point for 6 strokes, would place a P (wipe) in their scorecard for 7 strokes and not accrue a number on that hole.
- If a player who is selected to draw a hole number, draws a hole number they accrued a P (wipe), the draw is concluded for that week.
- The Jackpot prize draw will occur no later than 30 minutes after the last playing group finishes their round.
- If booking numbers on a day fall below 10, only the weekly voucher will be awarded and no novelty prizes.
- If booking numbers on a day fall below 5 prior to the first tee time, that particular weeks Sundowner competition will not proceed but social golf is always available.
